6. Correspondence /Outstanding

Correspondence

We received notification that the dog responsible for an attack on Nelson Beach has been euthanized, and penalty notice sent to owner.

Notes from the CCB Executive meeting are now available on the Council website.

NSW DPIE does sample water quality of estuaries, but not of Jervis Bay estuaries since 2012. A report of their data will be available in July.

Phil Costello has replied to Berry Forum’s email inviting early input into the DA review process, letter was sent to all CCBs.

7. Presentation from Mark Wilson – Shoalhaven Hospital Action Group

Mark presented on the benefits of establishing a greenfields (new building site) for a Shoalhaven Hospital and argued that this would be cheaper than upgrading the old building.
More information and their petition can be found at: Facebook @Shoalhaven Hospital Action Group

8. Huskisson tree removal and planting

Council are removing 25 trees from Hawke St, 4 from Berry St and 4 from Keppel St and replacing them with Tristaniopsis 'Luscious' *water gum, native to Queensland.

Voice to write to Council asking whether there is a long term plan for street trees in Huskisson / Woollamia.

9. Cruise ships in Jervis Bay Rumours have indicated that the Port Authority is seeking permission for cruise ships to moor in Jervis Bay.

Contact KJBU to ask if anyone has any information or information on the impact of cruise ships.

It may be useful at a later stage to ask each Councillor

their response to cruise ships.

10. Volunteers for Voice Heritage day stall

To see Penny after the meeting.
